2009 spring football

OFFENSE OVERVIEW

- With eight starters returning, the offense returns the most starters since the 2004 season when nine returned. That was the last season the Seminoles won 10 games.
- Players responsible for 71% of Florida State's points in 2008 will not be back in 2009. That is the lowest number of returning points in the conference.
- The ACC's top two scorers in 2008 were both Seminoles (Graham Gano and Antone Smith) and neither is back this season.
- The Seminoles finished the year ranked first in scoring offense and second in total offense and rushing offense in the ACC.
- FSU's rushing offense improved from 91st in the nation in 2007 to 33rd last season. That was the ninth-best improvement of any BSC school.

QUARTERBACK

- Christian Ponder had one of the best seasons in school history for a quarterback when it came to the ground game. The sophomore rushed for 423 yards finishing with the fourth-highest single season rushing total by a QB in school history.
- Since 1950, only Heisman Trophy winner Charlie Ward rushed for more yards in one season than Ponder did in 2008.
- Ponder is just the fourth FSU QB to ever score a rushing touchdown in four consecutive games.
- Ponder completed passes to seven or more receivers in seven of 13 games in 2008. He hit eight or more receivers with a pass four times.
- Redshirt freshman E.J. Manuel will back up Ponder but has not thrown a pass in a collegiate game up to this point.

RUNNING BACK

- Replacing Antone Smith's 177 carries and 15 rushing touchdown's will be one of the top priorities for the Seminoles this spring.
- If you remove quarterbacks from the equation, Smith's 117 carries accounted for almost 55% of all the running plays by the Seminoles in 2008.
- Jermaine Thomas had a breakout season as a true freshman averaging 7.0 yards per carry on 69 attempts.
- Thomas finished behind only Sean Jackson and Warrick Dunn in Seminole history for yards per carry by a true freshman. He also had the sixth-best true freshman season in school history for rushing yards.
- One of Thomas' greatest strengths in 2008 was his ability to make positive yards on almost every touch. The freshman lost only 10 yards rushing all year.
- Carlton "Ty" Jones showed what he was capable of in the Champs Sports Bowl when he rushed four times for 55 yards including a TD. His average of almost 14 yards per carry was more than six times better than any other FSU running back in that game.

WIDE RECEIVER

- Coming into the spring receiver coach Lawrence Dawsey has opened the competition completely to all the receivers on the roster.
- All three of the Seminoles top receivers in 2008 will not be participating in spring practice. The top two wide outs (Greg Carr and Preston Parker) are no longer on the team and the third most productive receiver (Taiwan Easterling) will miss the spring with a ruptured Achilles.
- Of the 174 passes caught by receivers in 2008, players responsible for 121 of those receptions will not be on the field this spring.

Bert Reed had 23 catches in '08.

- Outside of Bert Reed's 23 catches, not a single receiver on the spring roster caught more than 20 passes in 2008 and only one (Rod Owens) caught 10 or more.
- FSU will get a boost with the return of redshirt senior Richard Goodman who caught 20 passes as a junior in 2007.

TIGHT END

- Offensive coordinator Jimbo Fisher expects this groups offensive production to increase considerably in 2009. Last season, Caz Piurowski was asked to play as an extra lineman more than a receiver to help a young offensive line. On top of that, the Seminoles' other two tight ends were both true freshmen.
- Despite his work as a blocker, Piurowski still established single-season career highs for catches (8), yards (83) and touchdowns (1).
- For the second time in the last three years, Piurowski averaged over 10 yards a reception in 2008.
- Bo Reliford and Ja'Baris Little combined for just one catch in their true freshman seasons.

OFFENSIVE LINE

- The youngest line in the FBS in 2008 could be one of the best in the country in 2009.
- For the first time since 2004, the Seminoles will return all five starters on the offensive line from the previous season. That year the Seminoles averaged 162 yards per game on the ground.
- Three of the five projected starters on the line have been named a freshman All-American (Andrew Datko, Rodney Hudson and Ryan McMahon).
- Former starter at right guard Will Furlong will have the opportunity to reclaim his spot this spring as David Spurlock will be out due to a shoulder injury.
- Despite starting three true freshmen, the Seminoles had their best year running the football since 2000 as far as NCAA rankings go.
- Rodney Hudson enters the spring on the watch list for the 2009 Lombardi Award. He is one of only two ACC players on the watch list.

florida state university

DEFENSE OVERVIEW

- Over the past five seasons, Florida State's defense ranks 13th nationally in total defense.
- Mickey Andrews' defense lost six starters from the 2008 squad including projected first round draft pick Everette Brown (DE).
- In 2008 Andrews' defense led the nation in tackles for loss, was fourth in sacks, sixth in pass defense and 15th in total defense.
- The Seminoles led the nation in third down conversion defense last season.
- Florida State will need to replace all three of the team's leading tacklers from last season and three of the top four pass rushers (sacks).

DEFENSIVE ENDS

- Both starting defensive ends will not be back in 2009. Everette Brown left school a year early to enter the NFL Draft and Neefy Moffett graduated.
- The pair combined for over 30 TFL and nearly 20 sacks.
- Brown and Moffett were first and second on the team in sacks and first and third in tackles for loss.
- Kevin McNeil recorded four sacks last season and will enter the spring as the favorite to replace Moffett.
- Markus White will have the unenviable task of trying to fill in on the right side for Brown. The former National JUCO Player of the Year had a good first year adjusting to the FBS as he recorded 5.5 TFL, a sack, two PBU, three QB hurries and a forced fumble.

Markus White will step into Everette Brown's DE spot.

DEFENSIVE TACKLES

- While both outside linemen are gone, FSU returns both of its starters on the interior. Kendrick Stewart and Budd Thacker are back in 2009 but Thacker will miss the spring following shoulder surgery.
- Everett Dawkins will help bolster the numbers on the interior of the line as he moves from end to tackle.
- Justin Mincey will begin the spring at first team at defensive tackle but he should be pushed by sophomore Moses McCray who made two starts last season as a true freshman.
- Redshirt senior Kendrick Stewart had the best season of his career in 2008 with 22 tackles, 4.5 TFL and two sacks.
- Mincey, who started four games, doubled his career sacks and bested his career total for TFL last year.

LINEBACKERS

- This position will be open to the fiercest competition this spring with two starting jobs open and starter Dekoda Watson out due to elbow surgery.
- Chuck Amato will have only six scholarship linebackers available this spring.
- Four of the six linebackers on the spring two-deep are sophomores.
- With the graduation of Derek Nicholson and Toddrick Verdell, the Seminoles lose their top two tacklers. The pair combined for nearly 150 tackles, 23 TFL and five sacks.
- Two true sophomores (Nigel Bradham and Nigel Carr) sit atop the depth chart at the two outside linebacking spots.
- Junior Kendall Smith will get the first crack at replacing leading tackler Derek Nicholson.

SECONDARY

- Florida State will have to replace two stalwarts in the secondary. Corner Tony Carter and rover Myron Rolle combined to start 85 games in their stellar careers.
- Two senior starters return in this position group as corner Patrick Robinson and safety Jamie Robinson will be the veteran leaders in the secondary.
- Patrick Robinson is looking to add to his seven career interceptions, six of which came in 2007.
- Former cornerback and U.S. Army All-American Korey Mangum will move to rover and get the first crack at replacing All-American Myron Rolle.
- Outside of Patrick Robinson, the current Seminole secondary has combined for one career interception (Jamie Robinson).
- Former cornerback Terrance Parks will work at both rover and safety this spring.
- The competition at the field corner position between Ochuko Jenije and star recruit Dionte Allen should be one of the top storylines in the secondary this spring and continuing into the preseason.

Patrick Robinson has seven career interceptions.

SPECIALISTS

- No group suffered a bigger loss than the specialist where Lou Groza Award winner Graham Gano graduated.
- Gano not only won the top award for a kicker but he also is believed to be the first punter ever to be named the MVP of a bowl game when he took home those honors in the Champs Sports Bowl.
- The Seminoles will return their deep snapper (Zack Aronson) and holder (Shawn Powell) this season.
- James Esco and Nathan O'Jibway will handle all kicking duties this spring. Neither has ever attempted a field goal in a game during their careers.
- Esco and O'Jibbway are looking to get a leg up on the nation's No. 1 kicking prospect (Dustin Hopkins) before he enrolls at FSU this summer.
- Powell, who started the first seven games of the season as the team's punter, will take over full-time duties for Gano. The sophomore had almost identical numbers to Gano through the regular season.

2009 spring football

head coach bobby bowden

Seminole head coach Bobby Bowden will look back on his 33rd season at Florida State as a year of milestones and possibly a turning point for a program looking for its third national title. In 2008 Bowden became just the third coach in college football history to coach 500 games when his squad defeated Colorado in Jacksonville. Just over a month later he celebrated his 79th birthday with a win over Clemson in his 400th game coached at Florida State, making Bowden just the sixth coach ever to reach 400 games coached at one school. The season ended with his 21st bowl win and first nine-win season since 2004.

The 2008 season concluded with a resounding 42-13 victory in the Champs Sports Bowl, the largest margin of victory for the Seminoles in a bowl game in school history. The Champs Sports Bowl was the 27th straight bowl appearance for Florida State's legendary head coach. No other school in America has a bowl streak longer than Florida State's thanks to the Hall of Fame coach. With a 9-4 record in 2008 Bowden ensured himself of his 32nd straight winning season as he upped his career record to 382-123-4. He is responsible for the second-most wins in Division I history and has won at least seven games for 27 consecutive seasons.

Setting records and ranking with the greatest coaches in the history of college football is nothing new for the 79 year-old Bowden. In 2007 he became one of only two coaches in major college football history to win 300 games at one school and he is the first coach in college football history to lead his team to 27 straight bowl games.

The Alabama native will enter his 34th season in 2009 just one win behind Joe Paterno in the chase to become the winningest coach in college football history. He is third among active coaches in career winning percentage and he has won 77% of his games since coming to Florida State in 1976.

Bowden, one of the icons of college football, is first among active coaches for winning percentage in bowl games, second for all-time bowl wins and second for bowl appearances. He is the only coach to ever lead his team to 15 consecutive New Year's Day bowl games (1991-2005) and his Seminoles are tied for second for the most appearances in BCS bowl games with six. Bowden is the only coach in NCAA history to win 11 consecutive bowl games (1985-95) and the only coach ever with 14 consecutive bowl appearances (1982-95) without a loss (FSU tied Georgia 17-17 in the 1984 Citrus Bowl).

Bowden's list of coaching accomplishments is remarkable and is headlined by his induction into the College Football Hall of Fame December 5, 2006. In a rare, yet remarkable gesture, he and Penn State's Joe Paterno were inducted while still actively coaching. The previous rule was that a person must be retired before they can be elected in, but the rule was changed. Instead of requiring a person be retired, the National Football Foundation decided to make any active coach over 75 eligible for induction. Both Bowden and Paterno also received an even greater honor when they were presented with the organization's very highest distinction, the Gold Medal.

Among Bowden's many accomplishments, one of the most amazing has to be the remarkable 14 straight top five finishes in the AP poll from 1987-2000. During that run Florida State was 152-18-1 and captured national championships in 1993 and 1999. In 1999 the team became the first squad to ever go wire-to-wire as the No. 1 team in the AP poll.
